Feels like you made a mistake
You made somebodies heart break
But now i have to let you go
I have to let you go

You left a stain
On every one of my good days
But i am stronger than you know
I have to let you go

No one's ever turned you over
No one's tried
To ever let you down
Beautiful girl bless your heart

I got a disease
Deep inside me
Makes me feel uneasy baby
I can't live without you, tell me
What am i s'posed to do about it
Keep your distance from it
Don't pay no attention to me
I got a disease

Feels like you're making a mess
You're hell on wheels in a black dress
You drove me to the fire
And left me there to burn

Every little thing you do is tragic
All my life before was magic
Beautiful girl i can't breathe

I got a disease
Deep inside me
Makes me feel uneasy baby
I can't live without you, tell me
What am i s'posed to do about it
Keep your distance from it
Don't pay no attention to me
I got a disease

I think that i'm sick
But leave me be
While my world is coming down on me
You taste like honey, honey
Tell me can i be your honeybee
Be strong
Keep telling myself
That it won't take long till
I'm free of my disease
I'm free of my disease
I'm free of my disease

I got a disease
Deep inside me
Makes me feel uneasy baby
I can't live without you, tell me
What am i s'posed to do about it
Keep your distance from it
Don't pay no attention to me
I got a disease

I think that i'm sick
But leave me be
While my world is coming down on me
You taste like honey, honey
Tell me can i be your honeybee
Be strong
Keep telling myself
That it won't take long till
I'm free of my disease
I'm free of my disease
Set me free of my disease
