"Playing For Keeps"

It's so simple and complicated.
The way you can crush me.
No matter how much this hurts, this is through.
I get as far as your door before i get caught.
I make up excuses just to touch you and I can't stop, I
can't stop.

So are we playing for keeps.
The days begin and they don't end for weeks.
Leave me left out of anything to do with you.
Excuse me while I fall apart.
Don't flatter yourself sweetheart.
Let me take the wheel and I'll crash this car.
Why do you have to make this so hard?

You're so good at pretending everything is alright.
You're as welcome as cancer, but my door is always
unlocked.

So are we playing for keeps.
The days begin and they don't end for weeks.
Leave me left out of anything to do with you.
Excuse me while I fall apart.
Don't flatter yourself sweetheart.
Let me take the wheel and I'll crash this car.
Why do you have to make this so hard?

you're so cold
you're so cold
you're so cold
you're so cold

So are we playing for keeps.
The days begin and they don't end for weeks.
Leave me left out of anything to do with you.
Excuse me while I fall apart.
Don't flatter yourself sweetheart.
Let me take the wheel and I'll crash this car.
Why do you have to make this so hard?

So are we playing for keeps.

The days begin and they don't end for weeks.
Leave me left out of anything to do with you.
Excuse me while I fall apart.
Don't flatter yourself sweetheart.
Let me take the wheel and I'll crash this car.
Why do you have to make this so hard?

you're so cold
you're so cold
