She wanted something just like the real thing
He needed love and it all worked out somehow
He knows that love is the king of emotion but
He can't touch her cause she's too perfect now

But she wasn't like that then
And he wasn't like that then
They were everything
Everything they need

Suffer me
Call on me and I
I will call on you
Suffer me
Call on me and I
I will call on you

She wasn't thinking about anyone else just then
But she knew someone else would always come to
mind
Cause they were strangers living in a feeling
They were scared when they heard they talked about
love

But it wasn't like that then

It just wasn't like that then
They took everything
Cause everything was free

Suffer me
Call on me and I
I will call on you
Suffer me
Call on me and I
I will call on you

Oh yes and they were thinning out
At that moment where we're all afraid
Started thinking that pretty soon one of them would
leave
But she says suffer me

Suffer me
Call on me and I
I will call on you
Suffer me
Call on me and I
I will call on you

Suffer me
Call on me and I
I will call on you
Suffer me
Call on me and I
I will call on you
Call on you
