Call on your angels
Come down to the city
Crowd around the big tree
All you strangers who know me
Bring your compassion
Your understanding
Lord how we need it
On this New York City Christmas

Yeah I'm sending you a Merry New York Christmas
And a prayer for peace on earth
Within our time
Oh, the sidewalk angels echo hallelujah
And we understand them
Now more than ever

So call on your angels
Your beaten and broken
It's time that we mend them
So they don't fade with the season
Let our mercy be the gifts we lay
From Brooklyn to Broadway
And celebrate each and every day
This New York City Christmas

Yeah I'm sending you a Merry New York Christmas
And a prayer for peace on earth
Within our time
Yeah the sidewalk angels echo hallelujah
And we understand them
Now more than ever
Merry New York Christmas

Call on your angels
Come down to the city
Let's crowd around the big tree
All you strangers you know me
Bring your compassion
Bring your forgiveness

Lord how we need it
On this New York City Christmas

Yeah I'm sending you a Merry New York Christmas
And a prayer for peace on earth
It's not too late
Yeah the sidewalk angels echo hallelujah
We understand them
We understand them
Merry Christmas
Yes a New York City Christmas
(Oh Christmas)
Merry New York Christmas
