Its nothing, it's so normal you
Just stand there I could say so much
But I don't go there cuz I don't want to
I was thinking if you were lonely
Maybe we could leave here and no one would know
At least not to the point that we would think so

Everyone here, knows everyone here is thinking about
Somebody else
Its best if we all keep it under our heads
I couldnt tell, if anyone here was feeling
The way I do
But Im lonely now, and I don't know how
To get it back to good

I don't mean that, you own me
This aint no good, in fact it's phony
As hell
But things worked out just like you wanted too
If you see me out you don't know me
Try to turn your head, try to give me some room
To figure out just what Im going to do

And everyone here, hates everyone here for
Doing just like
They do
Its best if we all keep this quite instead
And I couldnt tell, why everyone here was
Doing me like
They do
But Im sorry now, and I don't know how
To get it back to good

Everyone here, is wondering what it's like to be with
Somebody else
Everyone heres to blame, everyone here
Gets caught up in the pleasure of the pain,
Everyone hides
Shades of shame, but looking inside were the same,
were
The same
And were all grown now, but we don't know

How
To get it back to good

Everyone here, knows everyone here is thinking bout
Somebody else
Its best if we all keep this under our heads
I couldnt tell, if anyone here was feeling
The way I do
But it's over now, and I don't know how, it's over now
There's no getting back to good
