No I would not sleep in this bed of lies
So toss me out and turn in
And therell be no rest for these tired eyes
I'm marking it down to learning
I am

Don't think that I can take another empty moment
Don't think that I can fake another hollow smile
It's not enough just to be lonely
Don't think that I could take another talk about it

Just like me you got needs
And they're only a whisper away
And we softly surrendered
To these lives that weve tendered away

But I would not sleep in this bed of lies
So toss me out and turn in
And therell be no rest for these tired eyes
I'm marking it down to learning
I'm marking it down to learning
Cause I can

Don't wanna be the one who turns the whole thing over
Don't wanna be somewhere where I just don't belong
Where it's not enough just be sorry

Don't you know I feel the darkness closing in
I Tried to be more than me here
And I gave it till it all went away
And weve only surrendered
To the worst part of these winters that weve made

But I would not sleep in this bed of lies
So toss me out and turn in
And therell be no rest for these tired eyes
I'm marking it down to learning
I'm marking it down to learning
I am

I am all that I'll ever be
When you - lay your hands

Over me but and go weak on me please
I know that it's weak
But God help me I need this

I will not sleep in this bed of lies
So toss me out and turn in
And there'll be no rest for these tired eyes
I'm marking it down to learning
I'm marking it down to learning
Cause I can
