Wonder how you sleep  
I wonder what you think of me  
If I could go back  
Would you have ever been with me  
I want you to be unused  
I want you to remember  
I want you to believe in me  
I want you on my side

[chorus]

Come on and lay it down  
I've always been with you  
Here and now  
Give all that's within you  
Be my savior  
And I'll be your downfall  
Mmm, mmm, mmm

Here we go again  
Ashamed of being broken in  
Were getting off track  
I wanna get you back again  
I want you to trouble me  
I wanted you turning down  
I want you to agree with me  
I want so much so bad

[chorus]

Come on and lay it down  
I've always been with you  
Here and now  
Give all that's within you  
Be my savior  
And I'll be your downfall  
Mmm, mmm, mmm

Yeah, be my savior  
(only love can save us now)  
(don't lay me down)  
(only love can save us now)

Ill be your downfall (Ill be your downfall)  
(ah, love can save us now)  
(don't save me now)

Lay it down  
Ive always been with you  
Hear me now  
With all that's within you  
Be my savior  
And I'll be your downfall  
Mmm, mmm, mmm

Now Im back on my own  
Hear my feet, they're made of stone  
Man, I make you go where I go  
Well hell, you, can I take you home  
Well, Im coming home on my back  
Kissing me, your lips painted black  
Saying oh, oh, oh, oh, oh, oh, oh  
Let me be your downfall  
Oh, oh, oh, oh, oh, oh, oh, oh  
Let me be your downfall, baby
