We were drawn from the weeds  
We were brave like soldiers  
Falling down under the pale moonlight  
You were holding to me  
Like someone broken  
And I couldn't tell you, but I'm telling you now

Just let me hold you while you're falling apart  
Just let me hold you and we'll both fall down

Fall on me  
Tell me everything you want me to be  
Forever with you, forever in me  
Ever the same

We would stand in the wind  
We were free like water  
Flowing down  
Under the warmth of the sun  
Now it's cold and we're scared  
And we've both been shaken  
Hey, look at us man...  
This doesn't need to be the end!

Just let me hold you while you're falling apart  
Just let me hold you and we'll both fall down

Fall on me tell me everything you want me to be  
Forever with you  
Forever in me

Ever the same  
Call on me  
And I'll be there for you and you'll be there for me  
Forever it's you  
Forever in me  
Ever the same

You may need me there  
To carry all your weight  
But you're no burden I assure

You tide me over  
With a warmth I'll not forget  
But I can only  
give you love

Fall on me tell me everything you want me to be  
Forever with you  
Forever in me  
Ever the same  
Call on me  
I'll be there for you and you'll be there for me  
Forever it's you  
Forever in me  
Ever the same

Forever with you  
Forever in me  
Ever the same

Ever the same
