She grabs her magazines
She packs her things and she goes
She leaves the pictures hanging on the wall, she burns
all
Her notes and she knows, she's been here too few
years
To feel this old

He smokes his cigarette, he stays outside til it's gone
If anybody ever had a heart, he wouldn't be alone
He knows, she's been here too few years, to be gone

And we always say, it would be good to go away,
someday
But if there's nothing there to make things change
If it's the same for you I'll just hang

The trouble understand, is she got reasons he don't
Funny how he couldnt see at all, til she
Grabbed up her coat
And she goes, she's been here too few years to take it
all in stride
But still it's much too long, to let the hurt go (you let her
go)
And we always say, it would be good to go away,
someday
But if there's nothing there to make things change
If it's the same for you I'll just hang
The same for you
Ill always hang
Well I always say, it would be good to go
Away
But if things don't work out like we think
And there's nothing here to ease the ache
But it there's nothing there to make things change
If it's the same for you I'll just hang
