She had said, don't cry  
Said it only hurts forever, and all we have is time  
And she said, she will never know  
So close your eyes, turn down the lights,  
And I can start this show

Chorus:

Yeah well I can't sleep, so why believe  
If the shades are drawn, then she can't see  
So don't look at pride, well there is no other way...no  
Don't try to make no sense of this scene, it's just  
between caroline and me  
And we keep changing (anyway)

Yeah we can grow like a board on the shore (floor)  
She says I'm restless just a little more time  
Well you know damn well she wants to feel this high

Yeah we knew just who we were  
Yeah well who we thought we'd try to be  
And who it's gonna hurt  
Oh but if I said, if I was strong at all  
Yeah that I wouldn't be with someone else  
I know where I bet all
