I think you're already gone.  
I think I'm finally scared now  
You think I'm weak - But I think you're wrong  
I think you're already leaving  
Feels like your hand is on the door  
I thought this place was an empire  
But now I'm relaxed - I can't be sure  
I think you're so mean - I think we should try  
I think I could need - this in my life  
I think I'm just scared - I think too much  
I know this is wrong it's a problem I'm dealing  
If you're gone - maybe it's time to go home  
There's an awful lot of breathing room  
But I can hardly move  
If you're gone - baby you need to come home  
Cuz there's a little bit of something me  
In everything in you  
I bet you're hard to get over  
I bet the room just won't shine  
I bet my hands I can stay here  
I bet you need - more than you mind

I think you're so mean - I think we should try

I think I could need - this in my life

I think I'm just scared - that I know too much

I can't relate and that's a problem

I'm feeling

If you're gone - maybe it's time to go home

There's an awful lot of breathing room

But I can hardly move

If you're gone - baby you need to come home

cuz there's a little bit of something me

In everything in you

I think you're so mean - I think we should try

I think I could need - this in my life

I think I'm just scared - do I talk too much

I know it's wrong it's a problem I'm dealing
