I think Ive already lost you  
I think you're already gone  
I think Im finally scared now  
You think Im weak - but I think you're wrong  
I think you're already leaving  
Feels like your hand is on the door  
I thought this place was an empire  
But now Im relaxed - I can't be sure

I think you're so mean - I think we should try  
I think I could need - this in my life  
I think Im just scared - I think too much  
I know this is wrong it's a problem Im dealing

If you're gone - maybe it's time to go home  
There's an awful lot of breathing room  
But I can hardly move  
If you're gone - baby you need to come home  
Cuz there's a little bit of something me  
In everything in you

I bet you're hard to get over  
I bet the room just wont shine  
I bet my hands I can stay here  
I bet you need - more than you mind

I think you're so mean - I think we should try  
I think I could need - this in my life  
I think Im just scared - that I know too much  
I can't relate and that's a problem Im feeling

If you're gone - maybe it's time to go home  
There's an awful lot of breathing room  
But I can hardly move  
If you're gone - baby you need to come home  
Cuz there's a little bit of something me  
In everything in you

I think you're so mean - I think we should try  
I think I could need - this in my life  
I think Im just scared - do I talk too much  
I know this is wrong it's a problem Im dealing

If you're gone - maybe it's time to go home  
There's an awful lot of breathing room  
But I can hardly move  
If you're gone - baby you need to come home  
Cuz there's a little bit of something me  
In everything in you
