Its sitting by the overcoat,  
The second shelf, the note she wrote  
That I can't bring myself to throw away  
And also  
Reach she said for no one else but you,  
Cuz you wont turn away  
When someone else is gone

Im sorry bout the attitude  
I need to give when Im with you  
But no one else would take this shit from me  
And Im so  
Terrified of no one else but me  
Im here all the time  
I wont go away  
Its me, yeah I can't get myself to go away  
Its me, and I can't get myself to go away  
Oh God I shouldn't feel this way  
(chorus)  
Reach down your hand in your pocket  
Pull out some hope for me  
Its been a long day, always aint that right  
And no lord your hand wont stop it  
Just keep you trembling  
Its been a long day, always aint that right

Well Im surprised that you'd believe  
In anything that comes from me  
I didn't hear from you or from someone else  
And your so  
Set in life man, a pisser they're waiting  
Too damn bad you get so far so fast  
So what, so long  
(chorus)  
Its me, yeah and I can't myself to go away (2x)  
Oh God I shouldntfeel this way  
(chorus)
