I don't know what we're fighting about
When every one can see that I'm not crazy
I only wanted to be the only one

A chance to be forgiven
A chance to be forsaken
Did I ever by chance cross your mind?
I only wanted a chance to see you shine
I only wanted a chance to see you shine

And I don't have no worries, no and I don't need no
answers
And there's just enough to make it day by day
Just enough to make you fade away

I don't know what we're fighting about
When everyone can see that I'm not crazy
I only wanted to be the only one, oh
I only wanted to be the only one

I don't need forgiveness and I can't be forsaken
Well I'm only here to take back what is mine
I cant believe the dullness of your shine
Just enough has been taken away
To make me believe in it all and I pray
And I've only been on at the start to begin
Just enough that there seems to be no end
I only wanted to touch your face again
I only wanted to see your face again

I don't know what we're fighting about
Every one can see that I'm not crazy

I only wanted to see the only one

I only wanted to be the only one
