I kn-kn-know a girl
She gets what she wants all the time
Cause she's fine
But for an angel, she's a hot, hot mess
Make you so blind
But you don't mind

Cause she's an uptown, get-around, anything-goes
girl
She's a hardcore, candy-store, give-me-some-
more girl

She'll make you take her to the club, but then she
leaves with her friends
She likes to stay late at the party cause the fun never
ends
And all her clothes are on the floor, and all your
records are scratched
She's like a one-way ticket cause you can't
come back

Sayin' yeah, and you want her
But she's so mean
(You'll never let her go, why don't you let her
go?)
Yeah, and you want her
But she's so mean
(You'll never let her go, why don't you let her
go?)

You kn-kn-know that if you don't shut your mouth
She'll freak out
You better get your shit together
Cause she's bringing you down, now
Yeah, boy, you better, you better

Cause she's an uptown, get-around, anything-goes
girl, girl
She's a hardcore, candy-store, give-me-some-
more girl, girl

She's got a wicked sense of humor, can't

believe what she says
She drinks Bacardi in the morning till it goes to her
head
And all you want is just to hold her, but she donâ€™t
go for that
She has a hard time coming when she canâ€™t hit
back

Sayinâ€™ yeah, and you want her
But sheâ€™s so mean
(Youâ€™ll never let her go, why donâ€™t you let her
go?)
Yeah, and you want her
But sheâ€™s so mean
(Youâ€™ll never let her go, why donâ€™t you let her
go?)

Every now and then she makes you just a little bit crazy
Sheâ€™ll turn the knife into your back and then
sheâ€™s calling you â€˜babyâ€™
Crazy

Sheâ€™ll make you take her to the club, but then she
leaves with her friends
She likes to stay late at the party cause the fun never
ends
And all her clothes are on the floor, and all your
records are scratched
Sheâ€™s like a one-way ticket cause you canâ€™t
come back

Sayinâ€™ yeah, and you want her
But sheâ€™s so mean
(Youâ€™ll never let her go, why donâ€™t you let her
go?)
Yeah, and you want her
But sheâ€™s so mean
(Youâ€™ll never let her go, why donâ€™t you let her
go?)
Yeah, and you want her
Yeah, you want her
Yeah, I know how you want her, but sheâ€™s so mean
(Youâ€™ll never let her go, why donâ€™t you let her
go?)
