I don't know what we're fighting about
When every one can see that I'm not crazy
I only wanted to be the only one!
I only wanted to be the only one!

A chance to be forgiven
A chance to be forsaken
Did I ever by chance cross your mind?
I only wanted a chance to see you shine!
I only wanted a chance to see you shine!

I don't have no worries, no and I don't need no answers
And there's just enough to make it day by day
Just enough to make you fade away!

I don't know what we're fighting about
Everyone can see that I'm not crazy
I only wanted to be the only one!
I only wanted to be the only one!

I don't need forgiveness and I wont be forsaken
And I'm only here to take back what is mine
I cant believe the dullness of your shine!!!
Just enough has been taken away
To make me believe in it all and I pray
And I've only been on at the start to begin
Just enough that there seems to be no end
I only wanted to see your face again!
I only wanted to touch your face again!

I don't know what we're fighting about
Every one can see that I'm not crazy

I only wanted to be the only one!!!

I only wanted to be the only 1!!!
