All day staring at the ceiling
Making friends with shadows on my wall
All night hearing voices telling me
That I should get some sleep
Because tomorrow might be good for something

Hold on
Feeling like Im headed for a breakdown
And I don't know why

[chorus]

But Im not crazy, Im just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
Im not crazy, Im just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be...me

Im talking to myself in public
Dodging glances on the train
And I know, I know they've all been talking about me
I can hear them whisper
And it makes me think there must be something wrong
with me
Out of all the hours thinking
Somehow Ive lost my mind

[chorus]

But Im not crazy, Im just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
Im not crazy, Im just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be

Ive been talking in my sleep

Pretty soon they'll come to get me
Yeah, they're taking me away

[chorus]

But Im not crazy, Im just a little unwell
I know right now you can't tell
But stay awhile and maybe then you'll see
A different side of me
Im not crazy, Im just a little impaired
I know right now you don't care
But soon enough you're gonna think of me
And how I used to be

Yeah, how I used to be
How I used to be
Well, Im just a little unwell
How I used to be
How I used to be
Im just a little unwell
