Take your head around the world  
See what you get  
From your mind  
Write your soul down word for word  
See whos your friend  
Who is kind  
Its almost like a disease  
I know soon you will be

Over the lies, you'll be strong  
You'll be rich in love and you will carry on  
But no - oh no  
No you wont be mine

Take your straight line for a curve  
Make it stretch, the same old line  
Try to find if it was worth what you spent  
Why you're guilty for the way  
You're feeling now  
Its almost like being free  
And I know soon you will be

Over the lies, you'll be strong  
You'll be rich in love and you will carry on  
But no - oh no  
No you wont be mine

Take yourself out to the curb  
Sit and wait  
A fool for life  
Its almost like a disease  
I know soon you will be

Over the lies, you'll be strong  
You'll be rich in love and you will carry on  
But no - oh no  
No you wont be mine
