(Verse)

Blue jeans ,white shirt  
Walked into the room you know you made my eyes  
burn  
It was like vanity for sure  
You're so fresh to death and sick as c- cancer  
You were sort of punk rock I grew up on hip hop  
But you fit me better than my favourite leather  
And I know love is mean ,love hurts  
But I still remember the day we met in December

(Chorus)

I will love you 'til the end of time  
I would wait a million years  
Promise you'll remember that you're mine  
Baby can you see through the tears  
Love you more than everyone before  
Say you'll remember, ooh baby, say you'll remember  
I will love you 'til the end of time

(Verse)

Be dreamed, gangster  
Said you had to leave to start you life over  
I was like no please, stay here  
We don't need no money we can make it all work  
But she headed out on Sunday said she'll come back  
Monday  
I stayed waiting, anticipating and impatient  
But she was chasing, paper  
Caught up in the game that was the last that I heard

(Chorus)

I will love you 'til the end of time  
I would wait a million years  
Promise you'll remember that you're mine  
Baby can you see through the tears  
I Love you more than everyone before  
Say you'll remember, ooh baby, say you'll remember  
I will love you 'til the end of time

(Verse)

You ran out every night, and baby that's alright  
I told you that no matter what you did I'll be by your  
side  
'Cause I'mma ride or die, whether you fail or fly  
But shit at least a try, but when you walked out the door  
A piece of me died, I told you I wanted more  
That's not what I had in mind I just want it like before  
We were dancing all night, then they took you away  
They stole you out of my life oh-oh yeah  
Do you remember?

(Chorus)

I will love you 'til the end of time  
I would wait a million years  
Promise you'll remember that you're mine  
Baby can you see through the tears  
Love you more than everyone before  
Say you'll remember, ooh baby, say you'll remember  
I will love you 'til the end of time

(Outro)

I will love you 'til the end of time  
I will love you 'til the end of time  
Say I will love you 'til the end of time  
Say I will love you 'til the end of time  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah
