You think you're foolin' me with your lies
I see it shows in your eyes
And I'd rather die than compromise
Don't go pushin' me, baby

I've heard it all before
And I don't wanna hear it anymore
Go ahead there's the door
Don't go tellin' no lies

And don't miss the chance
The chance of a lifetime
Chance of a lifetime
And don't miss the chance
The chance of a lifetime
Chance of a lifetime

You think you're cool with all the other guys
I see it shows in your eyes
I'd rather die than compromise
Don't go tellin' no lies

I've heard it all before
And I don't wanna hear it anymore
Go ahead, there's the door
Don't go pushin' me, baby

And don't miss the chance
The chance of a lifetime
Chance of a lifetime
And don't miss the chance
Chance of a lifetime
Chance of a lifetime

And don't miss the chance
Chance of a lifetime
Chance of a lifetime
And don't miss the chance
Chance of a lifetime
Chance of a lifetime

You think you're foolin' me with your eyes

I see that shows in your eyes
And I'd rather die than compromise
Don't go tellin' no lies

Well, I've heard it all before
And I don't wanna hear it anymore
Go ahead there's the door
Don't go pushin' me, baby

And don't miss the chance
Chance of a lifetime
Chance of a lifetime
And don't miss the chance

The chance of a lifetime
The chance of a lifetime
The chance of a lifetime
The chance of a lifetime

Lifetime
Lifetime
