I like you crazy(x3)
You crazy(x2)

I like you crazy(x3)
You crazy(x2)

I'm suffering lonely ones too
And I can't resist sending this on a whim
There's a compulsion to mend
Write on the wall, my loudest pen goes

I can't wait to say all the things you can't see
All the things that make you better
'Cause I can say all the things you can't see
All the things that make you

I like you crazy(x3)
You crazy(x2)

I like you crazy(x3)
You crazy(x2)

Hot summers repeating
Bubs noticing bees in the air
Won't get off this rail
Then great hope remains honestly

Observing the critic
I knew you had plenty to say
I could not resist watching you with him

I can't wait to say all the things you can't see
All the things that make you better
'Cause I can say all the things you can't see
All the things that make you

I like you crazy(x3)
You crazy(x2)

I like you crazy(x3)
You crazy(x2)

I like you crazy(x3)
You crazy(x2)

I like you crazy(x3)
You crazy(x2)
