Where is she goin' out tonight?
Is she wearin' your shirt, is she driving your car?
She was the one who was most likely to but she never
got through

And she never got far and if we look at her yearbook
picture
I'm sure we'll see a face that looks a lot like now
She always wanted to be accepted, she was only
rejected, anyhow

And Renee remains the same
Renee, she'll never change
She's the same

Well, is she leavin' the house tonight?
Is she carrying your keys as she waves goodbye?
He was the one who was most likely to but he never got
her through

And they barely made it by but if we look at her family
picture
I'm sure we'll see a face that looks a lot like now
I always wanted to get her attention, I only got
rejection, anyhow

Renee remains the same
Renee, she'll never change
She's the same

Is she takin' your house tonight?
Is she lookin' through your eyes as she says goodbye?
You were the one that was gonna make her happy

You only made her cry but if you look at her yearbook
picture
I'm sure we'll see a face that looks a lot like now
I only wanted to get her affection, I only got rejection,
anyhow

Renee remains the same
Renee, she'll never change

She's the same, she's the same
