In the center of a living room on the street  
Where you covered up your tapes and traded me  
There's a record, I could set that you left with me  
An act of kindness, simply, all but discovery

Discount meals are warm, dear  
Then we'll choose our new, get it?  
Have you heard me?

T-t-t-tonight  
T-t-tonight  
T-t-t-tonight  
T-t-tonight  
Sing in the sunshine  
Sing in the sunshine

In the city, where the people never sleep  
Busy looking at the pictures of you and me  
Never promise, there are words that can rescue me  
You can say it, I need a bottle of g

Discount meals are warm, dear  
Old age starts a new whole thing  
I can hear you
