I like you crazy(x3)  
You crazy(x2)

I like you crazy(x3)  
You crazy(x2)

I'm suffering lonely ones too  
And I can't resist sending this on a whim  
There's a compulsion to mend  
Write on the wall, my loudest pen goes

I can't wait to say all the things you can't see  
All the things that make you better  
'Cause I can say all the things you can't see  
All the things that make you

I like you crazy(x3)  
You crazy(x2)

I like you crazy(x3)  
You crazy(x2)

Hot summers repeating  
Bubs noticing bees in the air  
Won't get off this rail  
Then great hope remains honestly

Observing the critic  
I knew you had plenty to say  
I could not resist watching you with him

I can't wait to say all the things you can't see  
All the things that make you better  
'Cause I can say all the things you can't see  
All the things that make you

I like you crazy(x3)  
You crazy(x2)

I like you crazy(x3)  
You crazy(x2)

I like you crazy(x3)  
You crazy(x2)

I like you crazy(x3)  
You crazy(x2)
