"My Only Offer"

Bought a home
We bartered right
Two kids
Two car delight
Posed pictures on the walls
Small talk in the bedroom hall

Can't make it home tonight
Go to sleep but leave the light
I pretend to make a call
Loose talk into bedroom stalls

Oh
Oh
Oh
Is my only offer
Stifle copies of myself
Oh
Oh
Oh
Or someone else

My friends they all agree
(My friends they all agree)
Give in to our defeat
(Give in to our defeat)
In secret we believe
(In secret we believe)
We're nothing
Nothing
Nothing that we need

Oh
Oh
Oh
Is my only offer
Stifle copies of myself
Oh
Oh
Oh
Or someone else

I always wanted to be the face in front of me
Debating a life sucked out the energy
Build up a wall made out of finer things
Piled in high so we could barely see it

Oh
Oh
Oh
Is my only offer

Oh
Oh
Oh
Is my only offer

Oh
Oh

Oh
Oh
Oh
My only offer
Stifle copies of myself
Oh
Oh
Oh
It's all I have to only offer
