You know you're not in hell  
Palomino  
We were born on the other side  
We were wild and living  
We were wild and living, oh.

Some call it evil  
We just never really had to try  
Skipping town  
I say I love you Stewart  
But I'm never coming home

Whoo hoo hoo hoo hoo hooaoo  
Whoo hoo hoo hoo hoo hooaoo  
Whoo hoo hoo hoo hoo hooaoo  
Whoo hoo hoo hoo hoo hooaoo  
Never coming home

You know you're not in hell  
Palomino  
We never ever really took the time  
We were wild and living  
We were wild and living

Oh, touching in the backyards of our youth  
Cupping our hands, holding so tight  
I'll never leave you

Whoo hoo hoo hoo hoo hooaoo  
Whoo hoo hoo hoo hoo hooaoo  
Whoo hoo hoo hoo hoo hooaoo

You know you're not in hell  
Calling out to the rest of the world, the rest of the  
world, the rest of the world  
You know you're not in hell  
Calling out to the rest of the world, the rest of the  
world, the rest of the world  
You know you're not in hell

Whoa, could I  
Could I steal

Something pretty you say  
And make them feel?  
Hewwwwwwoo  
X5
