Yeah, it hardly matters  
This sickness is killing my will  
It does not matter tablets are full

Yeah, it hardly matters  
This sickness is killing my will  
It does not matter what might come true

Let's unravel the edge of time  
Where proofs and postulations rise  
Let's unravel the edge of time  
Where proofs and postulations rise

It doesn't matter what might come true  
(It hardly matters)  
It doesn't matter what might come true  
(It does not matter)  
It doesn't matter what might come true  
(It hardly matters)  
It doesn't matter what might come true  
(It does not matter)  
It's simple enough to try

Let's unravel the edge of time  
Where proofs and postulations rise

It doesn't matter what might come true  
(It does not matter)
