

Mates Of State "What I Could Stand For"

Visit "[What I Could Stand For](#)" on MotoLyrics.com

Can you tell me about yourself
I am partial to life without
How long have you wanted this
How do I say this
I've always wanted this
What are your weaknesses

Where in ten can you see yourself
I remark, "To the tenth without."
How much can you benefit
How do I say it
I always benefit
What are your weaknesses

What are your weaknesses
I won't pass you by

It's autumn, love
You're better for the several of us
You group it and your group it
But it's autumn, love
