Have you ever needed someone  
A shoulder just to cry on  
To ease the agony  
And find tranquility  
A Sweet and gentle touch  
That Speaks of words of love that mean so much  
Ordinary just wont do  
I need a love that's pure and true  
Lord I need a love that's pure and true

A quest in order to find  
What lies in my heart in my soul in my mind  
Sometimes serenity  
But then there's misery  
So many weaknesses and faults I've got to learn to  
Share the inner most and secret thoughts  
The ordinary just won't do  
I need a love that's pure and true  
Lord I need a love that's true  
Ordinary Just won't do

So Many Close friends they don't seem to understand  
Problems in your life  
So complexed you say who can comprehend  
Tragedy when you need relief  
Only Jesus Christ can supply your need  
A Sweet and gentle touch  
That speaks of word of love that mean so much

The ordinary just won't do  
I need a love that's pure and true  
Can always find it in you Jesus  
The ordinary just wont do  
I need a love that's pure and true  
Can always find it in you  
The ordinary just wont do I  
Need a love that's pure and true  
Can always find it in you Jesus
