Running Back to you

How can you forgive me when I've often gone astray  
How can you think of me when I do things my way  
Turning my back from you  
The one who loved me first  
Having my own desires  
Renewing worldly thirst

You told me you loved me and I should make up my  
mind  
You tell me come back now, but I keep wasting time  
Feeling so very weak you say I can be strong  
I feel I've gone too far you tell me to come home  
You love me still  
and I know this is real

Chorus:

And I am running back to you  
I see your standing there for me  
Your arms are opened wide  
And I don't have to cry no more  
You're standing there for me  
And I am running back to you,  
Why do I go away when I know I am no good when I'm  
on my own.

You told me you could keep me, but I've turned it away  
I failed you so much now I don't know what to say  
Using the same excuse that I am just a man  
You tell me you've been there and hold your nail  
scarred hands so I can see  
Now I know I am free

Chorus:

And I am running back to you  
I see your standing there for me  
Your arms are opened wide  
And I don't have to cry no more  
You're standing there for me and I am running back to  
you,

Why do I go away when I know I am no good when I'm  
on my own.

I have taken advantage of your love and grace  
Forgive me Lord and take me home, take me home.  
I'm running to you Jesus please take me home,  
You see I've been in this run way too long and I can't do  
right anymore.  
I'm tired of pain and I don't like fear but Lord I want to  
be more sincere.  
I never should have left your side.  
Return me to your guiding light I'm running back to you  
I see your standing there for me.
