Charleston bound I told my friends  
I got family there next to kin in all different skins

Brotha may I walk your streets  
Show me where and when I swear I won't stray from the  
curb

Yea I know this ain't my town town town but it is tonight  
Place my heart at home and take a shot for luck cause

Those rules don't count tonight  
My hotels on the right  
We'll all have secrets tomorrow  
Find a mate and make sure those doubts don't get in  
the way

The energy that fills this place  
It's one I've never felt, and I have been in heaven and  
hell

Is it safe to close my eyes  
I don't want to miss a thing tell me when the clock hits  
ok

One more night and I have to head back to my town  
So place me in the sins and take a drink of hen cause

Those rules don't count tonight  
My hotels on the right  
We'll all have secrets tomorrow  
Find a mate and make sure those doubts don't get in  
the way

Yea I know this ain't my town  
But I'm Charleston bound

Those rules don't count tonight  
My hotels on the right  
We'll all have secrets tomorrow  
So come on in
