Me and my girl are havin problems  
But I know we can work it out  
Sometimes I wish I was rollin  
Up in all of heavens clouds

Should you hang on to me  
(Or let me go)  
Should you hang on to me  
(Taps) Or let me go

Someone told me I'd be wealthy  
But money just can't change my heart  
Baby I wish you would love me  
Then we both can have are hearts

Should you hang on to me  
(Or let me go)  
Should you hang on to me  
(Taps) Or let me go

Let me go x4  
(Breathe)

You don't have to hide from me  
You don't have to run away from everything I say  
You don't have to hide from me x2  
No, No  
No's  
Let Me Know
