She told me the earth is round, I said I know but
sometimes it feels like a
Boxin ring
She told me the ground is flat, I said no it ain't because
when I walk I
Hit a bump or two

He told me money wins, I said no it don't because when
we get it the fake
Make their moves
He told me trust your love, but what if your love has
love that is lovin on
A lover to

I think I like it in the dark x4
She said, he said

They told me spread your wings, but what if my wings
are on hold at a pawn
Shop on coliseum
They told me live your life, I said no because ever step
they have a law
That kills

I think I like it in the dark x4

She said He said lies
They said they said lies
She said He said lies
