Make it strong she said
Life that is
I been thru grief

Deadly dudes play games
They toss good talk
But sounds like thieves

Up and away she goes
There's rumors here that stain her name

Home is where ever your
Heart goes

Up and away she goes

New York knows her pain
There's people there
That share her dream

Money talk these days
More than guts
And glamour's things

Don't give away your soul
It powers you and makes you to

Home is where ever your
Heart goes

Up and away she goes
There's rumors here

Up and away she goes
There's rumors here that stains her name

Up and away she goes
There's rumors here

Up and away she goes
There's rumors here that stains her name

Home is where ever your
Heart goes
