Give me a sec I can't breathe
This feels worst than drowning
Light in the head I take a knee
As she looks down on me

Boom ba oom ba oom x2

Stick to the plan for seen
Dangle the gift in front of me
Maneuver my speech to sound good
Into her eyes I look

And I say
Travel with me
Take this journey with me
Together we'll be the greatest

Boom ba oom ba oom x4

Just like a hawk she watches
I give a stare she can't miss
Look on her face it strike deep
She puts her hand on my cheek

And she say
Travel with me
Take this journey with me
Together we'll be the greatest

Boom ba oom ba oom
You complete me
Boom ba oom ba oom
Put the sparks in me
Boom ba oom ba oom
You complete me
Boom ba oom ba oom

But...
There were something's
That could have took us under
But you and me

We're greatest

Boom ba oom ba oom
You complete me
Boom ba oom ba oom
Put the sparks in me
Boom ba oom ba oom
You complete me
Boom ba oom ba oom

And I say
Will you marry me x4
