I never regret my days
What I do is meant for my change
Speak in a voice from space
Down here they call it crazy
Where I roam won't fade
Cause where I'm at I'll always fight

So you can curse my name
You can forget about me
Throw all your stones my way
But I'm gonna live

I'm still a child within
But it's fine with all my friends
Wrapped in a Shroud of greatness
No evil hands shall touch my bones
Where I roam won't fade
Cause where I'm at I'll always fight

So you can curse my name
You can forget about me
Throw all your stones my way
But I'm gonna live x2

Ooo's

I'm just a nerd from space
And where I roam won't ever fade
