Come on in dandelion
There's tons of snakes out there
Keep to the light and don't stare cause they'll gladly
eat you up

Pull up a chair your drinks done
I calm the room with slow songs
By the end of the night I want me and you on holy
ground

Evil takes no names
It'll grab you anytime or any place
Check your shoes for ware and tare
Cause tonight we'll have to run

Ooo's x2

I drank a fifth I feel tough
Finish that shot then one more
Let's head to the door but no stairs cause they'll gladly
eat you up

Evil takes no names
It'll grab you anytime or any place
Check your shoes for ware and tare
Cause tonight we'll have to run

Ooo
