"Not Gonna Lie"

Am I in your way, if so then let me know
I'm plannin to stay till you say

I play fool, but even a fool can warm a heart
And that's what I plan to do with you

Clickin your heels, turn to me and I'll take you home
To a place where we belong

I'm not gonna lie, I'd die without you

You should know, when you leave I can't control
What I do and say to folks

The chain runs long, pull on it and I will come
Only for you will I walk a line

I'm not gonna lie, I'd die without you oh
I'm not gonna lie, I'd die without you
