Hey there red, it's been several hours since we danced
Can I call you by your name

Ashley or beauty queen whatever you think will suit
your sweet face
I just won't call you late for a kiss, goodnight

Don't take me so serious, we ain't found love yet
There's still some lines I haven't crossed

Let's stay mysterious, we ain't found love yet
There still some time to work the room, oh the room

By the way, it's been four days since we danced
How bout a drink alone with me

We'll share things, and become friends one step closer
to dancin again
Leave if you want but you can stay, tonight

But don't take me so serious, we ain't found love yet
There's still some lines I haven't crossed

Let's stay mysterious, we ain't found love yet
There still some time to work the room, oh the room

Oooo's
Don't take me so serious, not tonight
We ain't found love yet, what's the rush
There's still some lines I haven't crossed

Let's stay mysterious, for the tonight
We ain't found love yet, but there's time
We'll stay where we're at and make are plans, for
tomorrow

We'll dance again
We'll dance again, tomorrow x3
Tomorrow x4
Oh oh oh ohhh
We'll dance again tomorrow
