Thought I'd try a pick up line  
Can I buy you a drink are those your eyes  
Girl you know I love how your hurting me

It's ticking time I'm out of line  
I don't know the code so what's the problem  
She looked back and then says to me

It's not you I'm goin through some things

I really can't explain but thanks anyways  
"Damn"

(I'm just a regular man)  
Thought I just move down the bar  
I see a diamond in all this rough  
Girl you know alone never suited me

We start to chat the feelings right  
She's all jazzed up you know I'm nice  
But one thing she want's to say to me

It's not you I'm goin through some things

I really can't explain but thanks anyways  
"Damn"  
Thanks Anyways
