Sink in slow, we don't need to rush this
You're my queen of diamonds, your beauty calms me

Speaking only truth, no lies can you
My eyes you conquered, I think you got me

You're my queen of diamonds, oooo
You're my queen of diamonds

Sun on my gloom, we'll play tag with are shadows
Set a course for life, give it all we got

OOOO what's this
I got this feelin inside
It sayin to hold you close
Cause you're the one for me

You're my queen of diamonds
You're my queen of diamonds

Make it known, there's a one and only
She my life goddess, forever honored

Going thru days, we need to mold this
Take this ring of diamonds, be my friend and wife

OOOO what's this
I got this feelin inside
It sayin to hold you close
Cause you're the one for me x2

We started out slow, low, just a few words to make you
remember me
Steady we go, we'll stay together
We'll move forward on, to make this life, this life that's
filled with better things
Then I'll take a leap and say those words, will you
marry me

Ooooooo
Yeah, oooo

Oooooo

Sink in slow, we don't need to rush this
Your my queen of diamonds, ooo, I think you got me
