Found in the lost, Serenade the heart you knew
Tell it you know it's warm
Follow the lead, On the hill of wicked cruel
Show them your armor shines
Yeah
Ruby Red

Fight with a tear, courage can come from fear
Unlock the crown you wear
Forward for you, No one else but you
After the war I'm here

Ruby Red, before we set out in hand
Conquer the wars within x2

Yeah x2

Fresh with the words, you have a tongue of steel
Speak with a lions roar
Fly in the sky, that's where I am in bloom
And that's where the peace will start

Ruby Red, before we set out in hand
Conquer the wars within x2

Yeahx2
