Settle in fine for the small minds
Almost began to howl at the moon
If I dare cross to the wrong side
Lend me your good, all your might

I'm gonna be loved by someone
Just because life is half done doesn't mean I should
settle for less
I'm gonna grow old with someone
If it's the last thing that I do
Then it's the last thing that I'll do

All entwined for the lost cause
Creature in the mirror is me
If I dare cross to the unknown
Don't think twice just pull me out

I'm gonna be loved by someone
Just because life is half done doesn't mean I should
settle for less
I'm gonna grow old with someone
If it's the last thing that I do
Then It's last thing that I'll do

I, wanna be loved, I wanna be loved x3
