I use to play wrong guy
Now IÂ'm the right man for the job
Be my Starfire and IÂ'll just be
Lurking on old age
Pacing the tank of melting girls
Soften the blow now and take me in

ThereÂ's one last step I need to take
To be in your garden
And that one step I need to take
Is I need to be honest and say I love you

Scissor my old life
Cut and paste it into your world
Frame it in real time so all can see
Seven my days now
All in a row with you and me
Now thereÂ's just one thing that I need to do

ThereÂ's one last step I need to take
To be in your garden
And that one step I need to take
Is I need to be honest and say I love you
Say that I love you
Say that I love you
Love you
I use to play wrong guy
Now IÂ'm the right man for the job
Be my Starfire and IÂ'll just be
