Want some emotions  
I'm filled with the worst ones  
From broken fulfillments  
And let downs in low ways  
Plannin to go where the worst and the best of me hide

Constantly twisted  
I'm bored but I'm busy  
I cry in my head  
Let me know if you hear me  
Lucky I'm by myself so I don't spread the fire

I want to be steady  
I want to be ready  
I want to be clear  
I want to be ok  
Want to be seen  
Through more than a blink of an eye

It's getting worse  
How I dive and converse  
With the liquids that kill  
And the friends that I'm losin  
Pack up my past and my clothes hit the road for desires

All that I've been  
I'm a grad, I'm nerd I'm friend I'm a loser  
A hero in some ways  
All I want is a place to be steady and fine

I want to be steady  
I want to be ready  
I want to be clear  
I want to be ok  
Want to be seen  
Through more than a blink of an eye x2

Down, down, down, down  
The sites go down, down  
Down, down, down, down  
The sites go down, down

I think a move is what I need  
I think a move is what I need

I want to be steady  
I want to be ready  
I want to be clear  
I want to be ok  
Want to be seen  
Through more than a blink of an eye x3
