It's a long way up  
And as we climb we lose time  
But never the less I will  
Take... that... chance...  
To let you know where I stand

We're at youth the 20 lands  
Captured in strength and bravery  
Never afraid of life  
We... live... it  
Together I want to blend

I stand for you  
There's no force that can bring me down  
I stand for you  
I stand for you

I'll give you all of me  
Every full day all of me  
Always keep you close  
Hear... me... out  
We'll be the last of are kind

I stand for you  
There's no force that can bring me down  
I stand for you  
I stand for you

If you catch a tiger by her toe  
Don't let her go  
Don't let her go
