A certain smile  
A certain face  
Can lead an unsuspecting heart on a merry chase  
A fleeting glance  
Can say so many lovely things  
Suddenly you'll know why my heart sings  
You love awhile  
And when love goes  
You try to hide the tears inside  
With a cheerful pose

But in the hush of night  
Exactly like a bittersweet refrain  
Comes that certain smile to haunt your heart again  
But in the hush of night  
Exactly like a bittersweet refrain  
Comes that certain smile to haunt your heart again
