Words by Jack Segal and Music by Marvin Fisher

Surprisingly, this great song did not chart, so we must have learned it from hearing it on his SUPER successful LP-"Johnny's Greatest Hits", which stayed in the Top 100 for over 8 years!!

When Sunny gets blue, her eyes get gray and cloudy
Then the rain begins to fall
Pitter-patter, pitter-patter, love is gone so what can matter?
No sweet lovin' man comes to call

When Sunny gets blue, she breathes a sigh of sadness
Like the wind that stirs the trees
Wind that sets the leaves to swayin' like some violins are playin'
Weird and haunting melodies

People used to love to-o-o hear her laugh, see her smile
That's how she got her name
Since that sad affair she's lost her smile, changed her style
Somehow she's not the same

But mem'ries will fade and pretty dreams will rise up
Where her other dreams fell through
Hurry, new love, hurry here to kiss away each lonely tear
And hold her near when Sunny gets blue

Hurry, new love, hurry here to kiss away each lonely tear
And hold her near when Sunny gets blue
