Sleigh bells ring, are you listenin'?
In the lane, snow is glistenin'
A beautiful sight, we're happy tonight
Walkin' in the winter wonderland

Gone away is the blue bird
Here to stay is a new bird
He sings a love song as we go along
Walkin' in the winter wonderland

In the meadow, we can build a snowman
Then pretend that he is Parson Brown
He'll say, "Are you married?" We'll say, "No man
But you can do the job when you're in town"

Later on we'll conspire as we dream by the fire
To face unafraid, the plans that we've made
Walkin' in the winter wonderland

Over the ground lies a mantle of white
A heaven of diamonds shine down through the night
Two hearts are thrillin' in spite of the chill in the
weather
Love knows no season, love knows no clime

Romance can blossom any old time
Here in the open
We're walkin' and hopin' together
Together, together, together

Sleigh bells ring, are you listenin'?
In the lane, snow is glistenin'
A beautiful sight, we're happy tonight
Walkin' in the winter wonderland

Gone away is the blue bird
Here to stay is a new bird
He's singing love song as we go along
Walkin' in the winter wonderland

In the meadow, we can build a snowman
And pretend that he's a circus clown

We'll have lots of fun with Mister Snowman
Until the other kiddies knock him down

When it snows, ain't it thrillin'
Tho' your nose gets a chillin'
We'll frolic and play, the Eskimo way
Walkin' in the winter wonderland

Walkin' in the winter wonderland
Winter wonder, winter wonderland
Winter winter, wonder wonderland
