"5 Seconds Of Love"

You're like a bat that has gone blind
Stuck in my hair-hard on my mind

You always act
Before you think
You waste my time
Even when I sleep

It's all the same
Again and again
So tell me why
Should I care
This game of yours
Isn't fair
Just pain
Again and again...

You never talk about your past
And in my happiness you rust

You're like a cloud
Above my life
You're so neurotic
You play the wife

It's all the same
Again and again
So tell me why
Should I care
This game of yours
Isn't fair
Just pain
Again and again...

Five seconds
And you fade away
Five seconds
You look strange to me
Five seconds
I'm not having fun
2, 3, 4, 5 seconds of love
